Attorney's Docket No.: 166661-002001

Amendments to the Specification:

Please replace paragraph 18 beginning at page 4, line 12 with the following amended paragraph:

[0018] As used herein, the term "machine-readable medium" refers to any software product embodied in a computer readable medium, computer program product embodied in a computer readable medium, apparatus and/or device used to provide machine instructions and/or data to the machine 100, including a machine-readable medium that receives machine instructions as a machine-readable signal. Examples of a machine-readable medium include the medium 135 and the memory 120. The term "machine-readable signal" refers to any signal, such as the signals 154, used to provide machine instructions and/or data to the machine 100. The term "storage device" refers to any apparatus having a machine-readable medium suitable for prolonged storage of data and/or code.
